“ Ann

For over 50 years you and Boss brought sunshine to our lives. Your grace and mannerism is profound. From the time you and Boss got to Mississippi until the time you left there was nothing but love and laughter. His voice his jokes his laughter will always be remembered. His brother was Robert Lee but lord his sister was Mae. No one could say Mae like Boss.

When we seen a Cadillac Escalade on the hill a smile came to our face, because we knew Boss and Ann was home. Thank you for the love that you've always given. May God continue to strengthen bless and keep you safe.

To Fish, Butter, Rabbit, and Gubby. I am still your sister and I love you and I'm here for you.

Jermaine you missed all the Mississippi whopping.

Love hugs and kisses from the Penilton Family.

Please know we wanted to be there.

The entire Hudsonville CME church family send their love condolences and prayers to the entire Jones family. Elder Bobbie G Wilson Pastor and first lady Mrs. Virginia B. Wilson.

“ I've only known Bro. Jones since 2015 but I am so grateful to God that he and mother Jones came into my life. They both embraced me with open arms and has been a great source of encouragement. I looked forward to him coming into the male choir rehearsals and teasing him about leading a song, he would pretend his hearing went out or look around the room thinking I was talking to someone else. Brother and sister Jones love went beyond the church walls and I will never forget their kindness. I sorrow with mother Jones and the family but not like those who have no hope. Brother knew the savoir and I know I'll see him in again. Be blessed family!

“ *To my Beautiful Aunt Ann and my cousins. You have my deepest sympathy and condolences. It is with a heavy heart that I write these words. I believe God spoke to my uncle Leonard affectionately known as Uncle Bossman and said job well done, take my hand and come with me to a place where there is ever lasting life, no more pain or suffering. Weeping is endured for a night but oh joy com meth in the morning. Remember God makes no mistakes, he has called home yet another one of his soldiers, given him his wings and now he is a beautiful angel watching over our family. So let your hears rest assured that Uncle Bossman is in a much better place than he was here with us on this old earthly soil and that place is called HEAVEN.*

“ *In Loving Memory Of My Dad*
He never looked for praises. He was never one to boast. He just went on quietly working for ones he loved most. His dreams were seldom spoken. His wants were very few. Most of the time his worries went unspoken too. He was there a firm foundation. Through all my storms of life. A sturdy hand to hold in times of stress and strife. A true Friend I could turn to when times were good or bad. One of my greatest Blessings the man I called Dad. Love Fish
