“ *My uncle, Big Baby, has a profound love for the Lord and consistently encourages others to explore their faith if they haven't already. He often shares the sentiment that to be absent from the body is to be present with the Lord. This phrase refers to physical death, signifying that when this life concludes, believers are received into the glorious presence of the Lord. With all my love, your niece, Little Black Willie."*

“ I called you Christmas morning and asked you about the guts ... something we always joked about, you said you didn't have any. You asked me to keep praying for you and don't move you up or down the list just keep you in the same place. The Lord said it was time to come home. You're gone but not forgotten , your favorite phrase I love you and there's nothing you can do about it. You will remain in the same place in my heart.

“ *♪♪ Thank you, Lord, for saving my soul
Thank you, Lord, for making me whole
Thank you, Lord, for giving to me
Thy great salvation so rich and free♪♪*

A song forever embedded into my soul by a pastor that pushed memorizing scriptures, repetition of songs and verses on a weekly basis, and also another big part of the children's ministry testimony as he gave me an opportunity to serve in the children's ministry even though I was a teenager.... Forever a vessel used by God that poured into my families personal testimonies

You finished the race, Pastor Leroy Edmonds Jr 🕊
