“ Since I was very young, I've always felt proud of my cousin, Levert, who was a professional bowler. In my young mind, I viewed him as a celebrity of sorts, who exuded humility, quiet strength, and an intellectual.

As an adult, I learned even more about my cousin. I recognized his genuine love for family and that he was a man who listened more than he spoke which in my opinion is the mark of a very wise individual.

In a brief description of the man I knew Levert to be, I will spell it out to you.

L- Loved family, loved by many

E- Even-tempered

V- Valiant

E- Earnest

R- Revered

T- Trustworthy

Cuz, I am grateful to God that we had a chance to get re-acquainted over the phone after years of being physically distanced by miles. Love eternal.

Your cousin,
Bonita

“ *Uncle Levert, you were truly an honorable man. You were a man who always stood by what he believed in and that is one of the things I admired most about you.*

I am left with a sense of peace knowing that you were able to live a full life. You were a courageous man who had a full heart, although you mostly tried to hide it with a tough exterior.

You never failed to make me laugh even when you weren't feeling the best. I value every memory we've made together, even if it was just us sitting together talking about random topics. I am so beyond thankful to have had these moments with you and want you to know how much I love and care about you.

We will continue to celebrate your life and the impact you've made on all of us. You will truly be missed and will forever live on in our hearts.

“ LeVert was an inspiration because he shared his love of family history. In 2010, he shared that love with my sister (Rosie) at "The Dean (s, es) Rasberry Family Reunion" in Matteson, Illinois. In June of 2022, I had the pleasure of speaking with him in a three-way call with Bonita. He was extremely happy that many of the English descendants were finally having a reunion. He was hopeful that this would be the start of many. So, be of good courage that he is having a "hallelujah" good time with the family.

PJ

Levert,
Your Wisconsin family cherished you and will miss the yearly visits. You once would come up to visit your aunts, but when they passed you continued your yearly visits. We would always know where we could find you, with your favorite cousin Doris. I had the opportunity on one of your visits to listen to you share your wisdom with a younger cousin, little did you know I learned from that talk that day and has had the opportunity to share with others. I was envious of you, because you were the only person that had the opportunity to meet our maternal grandmother Fannie Turner. Rest in Heaven Cuz
Tricia
