“ *I love and miss my dear sweet Aunt so much. She came to live with us in Detroit from Alabama when I was around 2. I remember when she and John got married and moved their own place nearby. They let me hang out with them a lot as I was around before anybody else had kids. She always had the sweetest demeanor and the kindest words. It's hard to let go but I know she's in a better place. No more pain for her; only for those of us who will truly miss her presence.*
