“ *Dearest Lichelle Marie Laws,*

*Though you may be gone, your melody lives on in my heart. I still remember that unforgettable 2-hour conversation we shared in 2010. Your passion for music was contagious, and your spirit was a beacon of hope.*

*I'm deeply saddened to learn that you didn't get to receive the kidney transplant you needed. My heart aches knowing that life had other plans, and we won't get to create more harmonies together.*

*As a musician, you touched countless lives with your talent. Your legacy will continue to inspire and uplift others. I'm honored to have been a part of your journey, even if only for a brief moment.*

*Rest in peace, dear Lichelle. Your music, your love, and your light will never fade. You will forever be in my thoughts and prayers.*

*May your soul sing with the angels, and may your melody continue to bless the world.*

“ Rest in Peace Lichelle, Bless Your Family and Friends. A fan from the beginning and was disappointed that you never got the recognition you deserved as a pioneer in the female rap arena.
