“ *Mama Lillian you left a Mark on this world. You walked into many people lives and showed what service to others is. You gave of yourself unconditionally and helped so many people. I personally thank you for taking me into your family and introducing me to God at an early age. No one can deny that you were the best “sitting on the porch company EVER”! You Rest easy because you deserve it “MA”. I’ve had 3 mothers in this lifetime and I can honestly say I’m glad you were one of them.*

“ My Cousin Lillian was the caregiver of so many of our family members. She was my babysitter when I was younger. When I became an adult we would laugh, have awesome conversations regarding so many different things. I have such wonderful memories of the Williams, Clark and Ross family gathering at each other's homes. Lillian was always there to keep us in-line, but she was also a lot of fun. She was the keeper of so many confidential conversations and historian of our families.

My dear cousin Lillian, you now are united as a family with Uncle Henry, Aunt Josephine, siblings David, Richard, and Danny.

Love and will miss you dearly.
