“ I met Sis Gills in 1985 when I first came to the Rosedale Congregation. It didn't take long for me to fall in love with her. She immediately impressed me as a very sweet and incredibly humble person. Her warm smile and pleasant demeanor was so endearing. In her soft-spoken way, she knew how to make you feel good about yourself; and that was such an encouragement to me as a mother of young children. I needed and appreciated her nurturing words. I am really going to miss her, and I look forward to the day when she will be with us once again.
