“ *My heart is touched deeply by Lillie's passing. I first met her when her son was a senior in high school. Years later we ended up working together at the Postal Services until her retirement in 2004. During those years we shared a lot of conversations about family and life. I came to learn her family was the most important thing to her. Her Son and granddaughter were her pride and joy. We even shared the same birthday Jan 21. I will truly miss Lillie and so glad she was a part of my life.  
May the Lord keep a watch over her family.
