“ I'm going to miss talking to my beautiful big cousin Linda. She was a very sweet and told you just like it was. I thank God that we shared the same middle name, I would always tell people that I got my middle name from her. As a little girl I always looked up to her and Gale. I'm going to always remember the talks that we shared. Family you are in my thoughts and prayers, I love you guys ❤️

“ *Its not just your presence we will miss, its your connections you created. You bridged gaps between generations and personalities and somehow brought us closer without ever trying too hard.. You were always your authentic self each and every day. That is what we will remember and we'll do our best to live up to.*

“ *Tish, your mom was like confetti. She brought light and love to every situation and every room she entered. Unbeknownst to us, she was burning the candle at both ends. She was mourning the loss of "mom" and other family members who had gone before her. I want you to know that she will forever remain in my heart, and the light and love she brought will burn eternally within me.*

“ I feel like I've known Linda from when we were very little girls. Going over to her house and her mom giving us snacks while we played. I remember arriving at her baby shower, and hearing Linda had left to deliver Tish. We all laughed and said we weren't surprised. That was Linda. And then finding out many years later she was the first cousin of my bonus daughter Angel. We came full circle. Yes Linda was beautiful, smart, funny, and the life of everything...not just the party. And although we lost touch as life passed I was heartbroken to hear of her passing. Tish and Family you have my sincere condolences and prayers. Linda was a gift to the planet!!!!

To Gale & Family.

Words are difficult for those of us who so recently met your beautiful sister. I so enjoyed our conversation about the mis-direction our country is going when she was here in Greensboro. It was like having known her for years. Memories are always yours and the pleasure of knowing her a short while was so nice for us. You remain in my prayers as I ask God to continue blessing all of you with strength.

“💖 A Loving Tribute to Linda Bostic from Tawana Knight

I am absolutely heartbroken by the loss of Linda Bostic. She was more than just a friend; she was truly my second mom, and the profound impact she had on my life is impossible to measure. Linda was the most incredible, loving, and generous person I have ever known. She had a way of making you feel completely safe, seen, and utterly cherished. Her warmth was a constant, radiant presence in my life, and she offered a brand of unconditional love that felt like a gift straight from above.

I will cherish every single memory I have with her—from the biggest moments to the quiet, everyday conversations. She taught me so much about life, love, and what it means to be a truly good person. My deepest sympathies go out to the entire Bostic family. Losing Linda leaves a void that can never be filled, but I know her loving spirit will continue to watch over all of us.

Thank you, Linda, for everything. I love you and I will miss you forever. ❤️👍

With Love and Deepest Respect,

Tawana Knight

Linda was one of the kindest , encouraging woman I was blessed to work with. She stood up even if it meant standing alone. I recall her often saying "I don't have time for any bs." She was proud of her daughter and her family sharing her joy with all of us. A treasure as well as a pleasure to have crossed her earthly path. May God surround all who were touched by Linda and grieve her departure. 💜🙏
