“ *Dear Beth,*

You were a loving, devoted, dedicated mother to your treasured son and our grandson. He is our "Eighth Wonder of the World," and we will do everything humanly possible to help him survive the worst loss he'll ever endure. We know you will always be with him and nothing will ever replace your being in his life. The great memories of your love and short life together will never be forgotten by him. He will eventually be able to hold to that and God's unchanging hands. Rest In Peace.
