“ I was so saddened to hear about Linda's passing. We met on Curtis when her dad offered me a ride to Hampton Jr High. From then on it was overnights watching her favorite black and white movies with her sisters always bursting in, Girl Scouts, listening to Jimi Hendrix with her mom. Reuniting during college breaks, heading to downtown Detroit bars and somehow a girls'trip to Chicago that ended up watching the sun rise over Lake Michigan. You are missed my friend. My condolences to your family.

“ I am very sad about losing Linda. Like Rochelle, I have known her since our junior high school days and was always happy to have a chance to catch up with her at our gatherings, both virtual and in person. Most recently, I enjoyed hearing about her puppy. She had such a powerful sense of her family, family history, and her connections to people both living and past that I know that all of you must be feeling this loss very deeply. My thoughts are with you.

“ *Sending prayers and thoughts of comfort to the family. Linda was a friend of mine since Hampton Jr High, Cass Tech and since we have participated in our Cass Tech Reunion committee. Her wonderful smile and beautiful stories she shared about her family history and relatives will be sorely missed. Until we meet again, rest well Linda. Love, Rochelle Everett (Wolfe)*

Ugh! I can't express my own sadness, I am just devastated...of course condolences...we met when we were 10 and 11 and ended up being roommates in Boston...20 years later...there were so many wonderful moments....and I am so happy that the last moment of being together was at Hamilton in Chicago. ❤️
