“ Linda and I used to go on a venture to new restaurants on Saturday A.Ms. We used to laugh, Talk, giggle like little girls. She'd pull up and the cruise was on with soulful music blasting from back in the day. That was my dose of real R & B sounds from the Motor City. I have and will miss her on this earth. RIP

“ As some people journey through life, they leave footprints - of kindness and love, courage and compassion, joy and faith. Even when they're gone, the trail they've left behind continues to inspire us.

Rest with God.
