“ You were my best friend for over 20 years I'm so hurt to hear about your passing. I've always loved you like a sister no matter our differences. God bless you, we used to talk about the bible a lot, and I know you are in no pain and at peace with God.

“ Lisa was a kind beautiful soul who was a joy to be around, although quiet and self reserved she had a way of lighting up any room with her presence and infectious smile. Lisa was always willing to give a helping hand to anyone who she saw needed one including myself when I needed a job. She was very loyal and protective of her family and friends and if you were blessed to have her as a friend you know you had a rider on your side..I write this with a heavy heart as I reflect back on the memories I have of Lisa, but i know she can rest easy knowing she has definitely left her mark in the heart of so many and will never be forgotten.. Rest easy Lisa, I love you. Vonji J.

“ Lee Lee thank you for being my understanding friend.. my sister and thank you for being a wonderful auntie. I appreciate you! Things will never be the same without you. You’ve always picked me up when I was down from being a shoulder to lean on an ear to hear...giving me advice or just making me smile. I couldn’t have asked for a better Friend/Sister. I love you forever and always. Get your rest sister. You are a true definition of a friend!

Love always
