“ *Mrs. Holton I have so many memories with you and your family from when I was younger, you always welcomed me, fed me, taught me, and guided me as if I was your own daughter and I'll always love you for that, but my most memorable moment with you was when you took Lori and I with you to the nail shop, and I was so excited because I had never been in one before ❤️ Thank you for showing and teaching me so much as a young girl and for loving me. You will be greatly missed.*

“ *It was very much a privilege to know Ms. Holton and to be a part of her care. I really dd enjoy our monthly visits. She was such wonderful partner and leader in her communities. She was always working to help others even when she endured her own struggles with health - with grace and dignity, and her wonderful smile. She was so proud of her children and I heard about them often. Her passing is a loss for so many.

“ *Sharing in your sorrow in the passing of our beloved Sister, Lola Hilton. May you be comforted and strengthened during this time of bereavement. Sincerest condolences to the family.*  
*Lola was a dear friend of mine for many years. We shared worship experiences at Antioch COGIC, and we had frequent contact at the City of Detroit Case Conferences, at Herman Kiefer Hospital. I was always trying to get on staff with Lola, when she was working with the Returning Citizens Prison ReEntry Program, because she seemed to enjoy it so much, and I wanted to learn more about it. I appreciate the time I had being with Lola. She was always showing love and kindness to everyone, and her spirit was always gentle and sincere. Miss you, my Friend.*

*Lola and I worked together at the health department. She was a wonderful mentor when it came to parenting twins and remembering to take care of yourself. She was always encouraging and inspiring. She had amazing style and zest for life. I'm so sorry to learn of her passing and send hugs to her children.*

*The first person I met was Lola when I moved here. She saw me looking lost at the church and befriended me even though she had health problems. Shortly after we met, Lola went into the hospital. I waited for her to get out of the hospital so she would be with me when I joined Hope UMC. She always talked about her husband and children. She missed her husband very much and was so proud of her wonderful children. I miss her. Yvonne Smith*

*Lori, Brianne, Brook, and Carlos my deepest sympathy goes out to you and her extended family. I meet Lola as a student while she was taking Lay Servant Training. She was bright and had Love and Passion for God's Word and People. She later became a teacher for the Board and served until she became ill. Your mother illness didn't stop her from serving when she could. I will miss fixing her, liver and her favorite meals. Your mother never stopped talking about her children and grandchildren she said They are a Blessing from God " She was so sweet and special. I will miss my friend saying "Sister/Teacher what are you cooking today? Love Wilma Robertson*
