“ A lifetime of memories I have of you Grandma. I will love, cherish and miss you sweetheart. I am celebrating with you! Please tell Great-grandma and Aunt Genora I said "Whaddupdoe!" 🤪 They used to fall out chuckling when I greeted them that way. Lol! I miss you more than I could ever say but I think you know. The world lost angel but heaven gained one. ❤️

*From the Heavens above, you know your mom is watching over you both!*

*I didn't know your mom personally, but from listening to you, I can tell she was a terrific and loving mother! Anything you need, you know of course I'm here. Too listen, to cry, or to talk. Love you! Pri-Pri*

“ *To my sister Deborah Scott we had the best mother anyone could ever ask for, GOD made her extra special for you and me. The days ahead will be sorrowful but there is no pain that the thought of her smile, good smelling perfume and her silliness can't eradicate. Her memories and the life she provided for us are treasures that will always be with us until we see her again. My soul is pretty happy right now because I know she is truly in a better place. She can see, walk, talk and continuing celebrating her life just as she was doing when she received her wings. Hang in there and stay strong! Safe travels to Detroit!!! See you soon*

*Love your sister Donna*
