“ *Lottie Grice was a pioneer of many things; a role model to many and to me a mentor and my Godmother. We would sing hymns on the phone and she would take me on a walk down memory lane with perfect recollection of high points from Lisa, David and Lori’s dance milestones. We shared a laugh, a prayer and a smile every time we spoke, especially in the last several months. I will always remember how important her children were to her. Whether on stage or in the classroom, she was an ambassador for integration and diversity wanting everyone to understand, recognize and acknowledge each other as one of God’s children. This is a part of her legacy that will live on through me and through all of those whose hearts she’s touched and whose lives she changed.* ”

“ Aunt Lottie. Only a few family members are allowed to call me BG and she is one. She was a beautiful woman inside and out. Even as she struggled with memory issues the love still radiated from her. I honestly thought she would be here forever. And in many ways she will be. However, with so many family members that have passed on clearly the party is now on the other side. Enjoy heaven Aunt Lottie!! ---- Birgit

“ My mom and I have so many great memories of Mrs. Grice. Our families spent many years at pageants, dance competitions, rehearsals, sleepovers, etc. I remember Mrs. Grice as having a strong presence, but with a smile. She was always kind and had a great laugh. I'll also always remember our moms driving is back and forth to Blue Lake Fine Arts Camp. So many great memories of a life well-lived! Much love to Lori, Lisa and family.

“ *Lori, I'm sending prayers of comfort for you and your family. My memories of Mrs. Grice are warm smiles and kind words and she made the dance world more accessible for little black girls in Detroit Michigan to showcase their talents. Mrs. Grice was a trailblazer and she created some of the most talented dancers I've ever known from David, Lisa and you. Her legacy continues through your children. Mrs. Grice is an admirable example of how one person can make a difference. Love you Sis. Mrs. Grice will be missed but her legacy lives forever.*
