*Tina I love you, and will miss you. Thank you for the love and beautiful memories our families share together. You took care of my brothers and made sure we had what we needed. Our families share long a rich history of laughter and good times, going back indeed to Sister Lattimore. The day is coming, where all of our family members will rise when he calls you. The pain is great now, but He will wipe out the last enemy, and we will live forever. Love you*

“ Dear Gary, You and Tina embraced my family, as you did for others. Tina and I became fast friends. As was mentioned, she was unassuming, as well as encouraging and easy to talk to. I will miss our chats for now, and look forward to seeing her soon with you and your family. We love you, Nick, Ava, Alex, and Alani
