“ Dear Cynthia - My prayer for you is that God may strengthen and guide you and your family during your mother's heavenly transition and the days that will follow. I admire the care that you provided for your mother over the years and hope you take some comfort the knowledge you were a good and attentive daughter. May God's grace uphold you all. And that you reach out for any support you may need as time goes by. Be blessed. - Rodd Monts and Family
