“ *Good afternoon family. I'm sorry that I was unable to be with you in person. Though I'm in North Carolina, know that I was with you in spirit on this day. Pat, I know that Manuel and I had a special relationship for at least 50 years. I loved him as a brother and he loved me as a sister.. Your family has been my family for many years. Just know that God is able and will take care of you through these days, weeks, months and years ahead. May God Bless you Pat, Alex, Carmen and Janise.*

Love you all

“ My uncle taught me how to shoot a basketball with my left hand. I'll miss him dearly. I looked up to him in so many ways. I remember feeling so proud to his face on that police recruiting billboard in the 70's. I miss our conversations and laughs and him calling me his favorite nephew “Roger” (my cousin) always messing with me on that one:). Rest easy Sir. I love you Uncle Man!

“ I was so saddened to hear of my cousin Manuel's passing. I want to offer my deepest condolences to his wife, children and grandchildren.

Growing up I have fond memories of Manuel. He was my go to person for assembling my toys. He put together my cotton candy machine and my Susie Smart doll. I have lots of happy memories of being in the Packnet household. I was an only child at the time until my sister came along. So being with my Packnet cousins gave me a sense of family and brothers and sisters. I was the youngest, and my Aunt Rose and Uncle Manuel took me along with the kids to Vacation Bible School or for rides in the family car.

When I grew up I remember visiting my Dad and sometimes my cousin Manuel would be there in deep conversation with his Uncle Eugene. I remember hearing about Manuel becoming a police Sargent and how proud we were of him. Life takes turns and we didn't spend as much time together in later years as we did when we were younger but I was always proud of my cousin Manuel.
