OBITUARY

Marie Scales Vaughn was born February 15, 1940 to the late Tom M. Scales and Helen V. Johnson of Fieldale, Virginia. Marie attended George Washington Carver High School in Bassett, VA with her siblings.

At the age of age of 16, Marie left Virginia and, bravely, moved to New York where she worked in the garment district to support herself. Later, Marie assisted her mother and siblings in coming to New York for a better life. Marie married the late Willie Vaughn. They moved their family from New York to Detroit, MI where Marie worked at The Ford Motor Company until her retirement in 1983.

Marie accepted The Lord in the late 70" s which influenced her to lead her family and friends to Christ. She was on fire for the Lord! It showed daily as she interacted with people. She further spread her love at a girl's home, where she sponsored a troubled teen showing her love and family.

Marie loved to bake and cook. She didn't cut corners about her groceries, only using the very best for her family and friends. Marie loved playing bid whist with her friends, going to the casino and learning different hustles at the senior center.

With a smile on her face, Marie departed this life March 23, 2026 at the Livonia Trinity Health Hospital. Her daughter, Denise, and grandson Donovan was with her as she made her transition.

Marie leaves to cherish her memory, her daughters Denise D. Scales, Lisa Vaughn (Kevin), and Kelli Vaughn Weems; grandsons, James Vaughn (Patricia), Donovan Vaughn; great-granddaughter's JaMaya Vaughn, Ayani Vaughn; sisters, Gladys Willis, Betty J, Francis (Joseph), and Barbara Murray (Ronald); brother, Charles Hairston (Paula); and a host of nieces, nephews, cousins and friends. In addition to her parents, she was preceded in death by her ex-husband Willie Vaughn, sisters Doris Wooten, Carolyn Leach, Juanita Hairston, Joanne Holland and brother Ronald Hairston.

“ *Aunt Marie, I will forever be grateful for you helping me to speak in tongues! You prayed with me for hours at my mom's house - you wouldn't stop even when I thought I would never be able to do it. I will never forget you pressing my belly and rubbing my back when the words suddenly burst from my lips! What a powerful gift it is to pray in tongues. I love you and thank you for being a fearless child of God! Thank you for your love and guidance. I know this is not goodbye but see you soon! Please give Grandma Joanne a hug and kiss from me. Until we see each other again. All my love.*

“ Some of my most prevalent memories of Aunt Marie are when she would have us join her in prayer. At an early age her ability to fervently pray left an impression on me. I’m grateful that the Lord blessed our family with such a powerful intercessor. I am also grateful for all the wonderful memories that will be cherished of the entertaining bid whist games we played, dancing by the lake and gathering together to share meals. Most of all I’m grateful that we will be reunited again because of the gift of salvation the Lord has given us the opportunity to obtain. Until we meet again Aunt Marie.

“ *Our Dear Family,*

May you be at peace and comforted by the love of your Mother, Grandmother, Great Grandmother and Aunt, our Beloved One -- Marie Scales-Vaughn.

Denise, Lisa and Kelli, we know how much our dear Aunt loved her children, for you were always the first topic of her conversations. She always kept us updated on you and her grands. The love and joy she received from you all radiated from her to all that she knew personally.

As the Scales Family Historian, she captivated her audience with her enthralling narratives, unraveling those deeply entangled roots. We especially enjoyed hearing about her entrepreneurial endeavors as a young teen. She was clever, resourceful and resilient. As we say—Marie was handling her business aright!

We will always remember our Dear Aunt Marie as a beautiful, sophisticated, independent and-- let's never forget-- Sassy Lady!

What a wonderful and exciting legacy she has handed down to her loved ones. We will miss her so much and remember the love and laughter she brought to our lives. We hold deep within our souls her expressions of love for us all.

We keep you our Dear Cousins close in our hearts and pray for your well-being.

Sending our love to you all from Niagara Falls.

Sincerely,

Pamela, Cheryl, Beverly, Vicky and Carla

“ I have so many wonderful memories of Aunt Marie. Her moving with her husband and children to Michigan when I was a child was a positive influence in my life. I loved visiting her home and enjoying her delicious food. Aunt Marie was a great cook! She helped take care of my daughter, Jeneace while I worked. After she became beautifully saved, she witnessed to me about the need to be born again. She gave me a frightening salvation tract about heaven and hell that stayed in my kitchen drawer for a year because I knew I was going to hell. After a series of negative events and her continued fervent prayers, I accepted Jesus. She helped disciple me and our daily prayed for my then ex-husband resulted in his accepting Jesus too. As a result, we remarried and to our union five additional children were born who all love and serve The Lord. Aunt Marie your prayers brought many others in our family to Christ too. Your life had eternal worth. Till we meet again in The Rapture, rest Aunt Marie and enjoy your heavenly rewards. Love you. Your niece Vanessa

“ I am deeply saddened by the passing of grandma, a woman who was full of so much joy and laughter. Without you, my children would not have the most wonderful man as a father. I remember when I first met you, you welcomed me with open arms. I soon looked to you as a grandparent I never had and always wished I could have grown up with. You were so outgoing and fun, with a personality that would often light up the room. You will be truly missed!

Xoxo ❤️❤️

“ Mama I have No Doubt that you are present in God's care, you made it to the finish line. I love you and JaMaya Marie and Ayani Grace loves you. Life wasn't easy for you, but you made it look effortless in ALL you did. I will Always remember everything you did and taught us by example. You don't understand as a child, the intricate parts of parenting, but as adults having our own children we see what was necessary and why, for that I thank you Mama. I'm trying to be strong as you remember how Dad's leaving suddenly was traumatic for Me. Mama I Love You and I will miss you so much, until we meet again lil Lady 💜😭
