“ Ms. Marion Hicks will forever live on in my heart. We shared our own lil friendship. I am blessed to have known Mom Marion as we would always joke that I was her third daughter from another family per my friendship with her daughter Kim. My heart is with you Kim, Jaron and the entire family of Marion Hicks. May she rest in God's arms now. Love, Adriene Bruce ❤️🙏

“ Kim,

Please know that we are so sorry to hear about the loss of your beloved mom. You have been a great caregiver. We are so pleased that we were able to meet and enjoy your mom on a couple of occasions. Please know that earth has no sorrow that heaven can't heal. To be absent from the body, is to be present with the Lord. She is pain free and with the Lord now.

We will continue to call your name to the Lord for strength and comfort! Thinking of you!

“ Kim,

I stand amazed at your incredible love and strength for your mother, you made your mother so very, very happy, being with her, and caring for her. It is my prayer that you find great peace and comfort in knowing how much she loved you, and all her children.

I'm a firm believer that when we lose someone close to us, like a mother, they continue to live on through us and give us unbelievable strength. They're so connected to us that they become a part of us.

There is no one in this world like your mother. She was a special person, a phenomenal, amazing, and loving woman of God, and she will always be with you. A mother's love is eternal. Hold on to that infinite love and let it be your strength and guiding light.

Death is not the end, it is only the beginning as we embark upon our new heavenly home. II COR 5:8

God Bless you and keep you always

Love, Terry Phillips

“ To Kimmie, there are so many memories of my Aunt Marion. It has been 60 years that it has always been my Mom, aunt Frances, aunt Carlana and aunt Marion. They were truly Peas in a Pod. A love and a friendship that they had was unbreakable and unmatched to this day. I could only wish for such a bond of women. I remember when my dad passed and they were all in my mom's bed comforting her. We will truly miss her but I know we will all see her again in glory. Until then we will leave her with Toya smiling and knowing she is pain free and happy. The Allen Family
