“ *Mark; not a day goes by where I don't miss our conversations, and that robust laugh of yours. I can remember you laughing so hard that tears would run down your cheeks. You always told me that you loved me after each conversations, and that felt so good to hear!!! I'm assured by Gods words that you are being well cared for, and finally receiving true peace. I hope you don't mind that I've copied some of your dance moves. You are truly missed and I will forever love you!!!*
