“ *When I was about 12 or 13, my aunt Willa-Mae once asked me to fetch my 5 year-old cousin from the neighbor's house down the street on Wager.*

*Little did I know, I was about to embark on a cosmic adventure! ✨
I made my way down the street, envisioning myself as the heroic babysitter. But when I reached the neighbor's house, my nephew was in full meltdown mode, crying and screaming like he'd just discovered the world was out of candy.*

I bravely scooped him up, but that's when things took a cosmic turn. As if channeling his inner football star, he sacked me square in the eye! 🏈💥

And that, my friends, was the first and only time I ever saw stars without the help of a telescope. 🌌😭

“ My condolences to the family in your time of loss. I just saw Marty in the office in July. I'm so grateful I had a chance to talk with him. He was so positive, and we had a very nice chat. Marty will be missed by his colleagues.

Sincerely,
