“ *Melanie was my ex-wife and I loved her very much. I'm shocked right now. I just found out about Mel passing away and I'm numb right now. She was a beautiful person inside and out. I'll never forget the love you and your family gave me. She went to glory on my son's birthday and laid to rest on my birthday. I can't express the amount of memories going through my mind right now. I haven't been able to stop thinking about you since I found out last night. Even though we lost contact I was always rooting for you to be successful and happy in life. My condolences goes out to your family Mel I know their missing you so much right now during the holiday season. I'll keep them in my prayers especially Myles your mom and dad. You are the only woman in my life I can honestly say when I first laid eyes on you I fell in love with you. May you forever rest in peace Mel, say hello to my little brother Camari Dickerson.*

“ *Ms. Turner this has caught me off guard. I have been unable to rest or even wrap my head around you not being here. There has been so many times within the past month I've tried to reach out to you only to remember me getting that phone call saying you're no longer with us physically but yet spiritually. I'm constantly praying for your family because this was very unexpected. We've held plenty of conversations that will always remain in my memories. I love you and may the great Lord bless and rest your soul.*
