“ *My heartfelt condolences to my Freeman Family. This is Lynda Graham Logan. I just finished watching the service.*

My first memory of the Freeman Family is in 1957, when I was just 5 years old! I was so excited to have "new" neighbors, and our families became EXTREMELY CLOSE!

When I visited the Freeman household, I felt as if it was my house also. So welcoming!

My fondest memory of "Butchle" is him running and playing outside. He would be smiling and having lots of fun! But when his Mother called him-"Butc-hie!!! He would run into the house.

The years went by...The next time I saw him, he was getting married. I still have a picture of him and his wife strolling down the isle.

Then,too many years went by!! I saw him at my Mom and Dad's house on Pennington. He had injured himself somehow, and he was on crutches.

The GREAT news is-in 2018, messengered one another. It was nice to be in contact after all those years!

Melvin "Butchie" Freeman, Jr., thanks for being a part of my life. I will always remember you. May you Rest-in-Peaced with the Lord! I'll see you in Heaven!!!

With ALL My Love!
