“ Our families were connected in so many ways, so much so that three of the daughters in the Clemons family were closely connected with Rainah, Robin and Cassandra! I'll always remember Mr. Freeman's infectious smile; feeling special and honored when the DOT bus doors opened and seeing him in "the driver's seat". Some 50 years later, Mr. Freeman made a connection with my husband; making plans to spend time together. Rainah, Cassandra and Chelsea, your dad had a loving soul and was engaging to everyone he met. May his smile add brighter lights to Heaven's Gates and may you all carry his loving spirit within you so that his light will continue to shine!

“ On behalf of the entire Pleasant Family, we were all soooo very sorry to hear of your lost. Our family remembered Mr. Freeman and family as we were growing up. He was always out and about, keeping us informed about what was going on in the community, thoughtful in letting us know when he received Christmas cards or greetings, reaching out to us to see if he could help in any way or just watching out for the neighbors' safety. Losing a good neighbor is like losing a special loved one. But I thank God that we will always have good things to say and good memories to share. May God bless and strengthen your family as we lift you all up in prayer.

Rest in Paradise, Mr. Freeman! I love you and I miss our conversations. I have known you since I was 5 years old! I remember when you and your family moved onto LaSalle. I ran down the street to my corner house and I let my family know, "We have new neighbors!" As a little girl, I knew EVERYONE on that block and they knew me as "Little Lynda".

For years, each time I rent back to Detroit you would pick me and/or my daughter Lauren up from the airport and you would drive me /us back at the end of our/ my visit.

Mr. Freeman, I went to church with you at least twice during my visits. You and I did other fun things like visiting Mrs. Brooks on Normandy; seeing Sharon Golden and her Mother on LaSalle; visiting JoAnn and Lannie across the street; going out to breakfast; introducing me to my Detroit Hair Stylist-Sonny, and I can go on and on. I saw you last November/December, 2019. I had planned to visit you last weekend- October 1-2 in my stopover in Detroit, before heading back home, the evening of Monday, October 2.

I'm now 71 years old. I'm SO sad that you are no longer on this earth, BUT I KNOW that you are in a MUCH BETTER , INCREDIBLE PLACE with GOD!! GLORY, GLORY HALLELUJAH!! I will see you in eternity, my GODFATHER here on earth!!

I LOVE YOU and I WILL ALWAYS REMEMBER YOU !
