“ *My fondest memory of Michael was getting him to attend our annual all Alumni Mackenzie Stag reunion in 2017, it was the first year with a live jazz band and boy did we have a ball that year. I've known you since Barton and this cuts like a knife to hear that you are no longer with us but the impact that you made on me will last a lifetime...until our paths cross again rest well my dear and kind friend.*

“ *Mike was my "Big Cousin", and one of the nicest guys I've ever known. My brother, Stephen, and I would visit Detroit in the summers from Memphis. I remember some guys starting a little trouble but when they found out Big Mike was my cousin there was no more trouble. He was a gentle giant but also a protector. Just a great guy all around.*

*Big Mike your smile will be missed.*

*Much Love,*

*Everyone refers to Mike as “Big Mike”; I refer to Him as “Angel Mike”. He did an EMERGENCY plumbing job for my daughter just last month and did not charge a cent! May God Bless Him and Reward Him with the Comforts of Paradise!*
