“ *My trainer when I came to the "D". One of the best bosses I ever had. Loyal, backed me on two potentially violent altercations. Was also a friend. I miss him every day.*

“ *To the Kellum family: I'd like to extend my most sincere sympathy and condolences in the loss of Mike. During the forty some odd years that Mike and I had been friends, I can remember some great times that we shared partying while working together for the probation department. I know that he is going to be missed. The family will continue to be in my prayers and the great memories of Mike will be forever etched in my memories. God bless you all and continue to pray for strength. Jonas Hill*

“ Kellum, a true friend from childhood into manhood. We've hung out in the streets and fought together through many battles on the football field (me blocking for you). Now you've crossed into the ultimate end zone. Gonna miss you buddy!

“ Mike always treated me like a son. We'd call one another from time to time just to check in. Whenever I came back home to visit with him and my mother you could find us on the patio, sharing drinks and laughter. So glad to have had him as family and friend! Forever in my heart. Rest easy brother. Love ya always. ~Donnie
