“ Mike, my Army brother and Anesthesia compadre, I will miss our laughs, sports conversations, and reflections on our military service. You brought such joy, pleasure, and amusement to our surgery department. You were a great friend and a wonderful person who will be forever missed and never forgotten. May God watch over your family and protect them during this difficult time. I will miss you, my friend.

“ *Mike you were such a great person and co worker to have in life. Words cannot express the pain I felt when I found out and continued to feel the following days after. You and I and plenty of others would work side by side day in and day out laughing and joking as we did so. We always stood by each other in our morning meetings in the start of our day. Making side comments if need be. Thank you for being a bright beacon in many lives. Love you and may you Rest In Peace Mikey.*

“ You will definitely be missed, I'm extremely grateful I got to know you, while working at McLaren. You'd a positive energy bubbly personality that encouraged others to smile and laugh. God has gained a great person and I just know he'd gained another friend of mine that also worked at a hospital as well days earlier. He knows who will be great guardian angels always. My dear sympathy goes out to your family and friends at this saddened time. R.i. H till we meet again friend..
