“ Thank u for perming my hair for 15 years. Sliding me money. Letting me mess up your vacuum lines in the white carpet. And making me laugh harder than anyone I ever knew. I will miss you so much.

“ I have so many great memories of my friend Michele. On each trip to St Croix, VI, Michele, Cheron and I would make time to have lunch, talk, laugh and debate on whose paying the bill Michele always thought she had the right to demand to pay. Always had enjoyable times when we crossed paths. Michele was a generous, caring, concerned, and loving person. Memories, I commented once on their comfort shoes they traveled in and the next thing I knew, I received the shoes in so many vibrant colors. Michele will always be a part of my life. I feel grateful that we crossed pleasant paths and her physical being has departed us, but her memories and always saying "love ya" when we ended a conversation will remain a special part of having known her. ❤️ ya always. May your soul and spirit continue to be with all tho se who loved you and as always, I know you are Cheron's angel now as you were in life.

“ Auntie Mickey, I remember when we were little and you used to take us to the 73 third-floor in the Renaissance building downtown. So that we can have Shirley Temple drinks and we thought we were really drinking alcohol lol.
