“ *There was no time to say Goodbye.*

I Love and miss you friend and I wished that you were here, but God is here to take you home now you and I must part.

I thought of you today, but that is nothing new.

I thought about you yesterday and days before that too.

I will think of you in silence

I will often speak your name

All I have is memories now and your memory is a keepsake from which I will never part.

God has you in his arms, I have you in my heart.

Through all the ups and downs of life, the good times and the sad, from middle school to golden years, you the best friend I ever had I will treasure all those good old days and all the secrets that we shared.

I will hold tightly to to your memory and forever miss you so, But I will trust God must need you more, and I will gently let you go.

This hardly a goodbye so I will try to weep no more, because you're now in a better place than you ever been before.

I don't care what nobody got say or what they think of me.

Dear friends we were to each other, and dear friends we will always be.

Even though, I will miss you like crazy and think of you everyday.

YOU WILL ALWAYS BE MY BEST FRIEND, and that's all I have to say.

I Love You Michelle , DHaimian....
