“ *My thoughts and prayers are with the Love, Jones, and Pitts families during this difficult time and always. I had the privilege of meeting and getting to know Michelle almost 20 years ago. She was always so kind...a genuine sweetheart. She is truly special and her beautiful spirit will always live on in the hearts of those who know and love her.*

“ I had the privilege of getting to know Michelle when she began working in the School of Health Sciences just shy of 7 months ago. She was a ray of sunshine and I loved her laugh. I also had the distinct privilege of meeting her beautiful Layla. What a special bond they had together. I know Michelle is in the presence of her savior and that it is not goodbye but until we meet again. Praying for peace and strength for her entire family. Julie Hamilton

“Michelle was just a lovely person to know. I witnessed various stages of her life: the transition from teenager to young lady, and from a young woman to a loving mother. Layla is her pride and joy. Her closeness with her mom and sister has always been a source of pride with her. Michelle's professional ethics was always a calming balm to those with around her. She was the best co-worker I've had in all my professional years of service. Michelle believed in always making yourself better, each and every day. Her presence shall be missed; she left a positive and loving impression on all those she encountered. My thoughts and prayers are forever with those who will miss her. ~ Christina Cowen

“Michelle was the one who brought so much laughter to our office. I will never forget her funny sayings, and faces made during meetings that lasted too long. Nor will I forget her love and devotion for Layla. I rest assured knowing she was a believer of Christ, and active member of her Fellowship. I am praying for the comfort, strength and peace of her entire family. ~ Tammy Arnold
