“ *I worked with Michelle back in the 80s at Cadillac Gage Textron. We became good friends and even went to a few clubs LOL! She had a wonderful sense of humor. Although we lost touch over the years, I always thought of her. God bless you family, and I will keep you in my prayers. Veronica Blair*

“ *My fondest memory of aunt Shell is when she came over my house in her new black charger. We tried to connect the cell phone to the car. We never got it going but we sure had a good time sharing memories and blasting the music.*

I love all my aunts but she was my cool aunt. I too remember the garage party! It was the Bomb! Every time I hear "Planet Rock" by Arfika Bambaataa and the Soul Sonic Force. I think of her!

*Love,
Rhonda*

“ She was my "Aunty Chelle"... She ALWAYS said "you are my little brother"... and Chelle had always been " My Big Sister". I already miss her laugh and her big hugs! She had a lot of love for our family. I Love you Chelle and I know you are now at peace.

“ I'm saddened that my baby Sister has passed, she was so full of love. My fondest memory of Michelle was allowing her to drive my new car around the Roseville neighborhood, before she got her Driver's Permit. She was so excited that her big brother, visiting from out of town (I lived in Chicago at the time), actually said ok, when she asked, 'can I drive'?
I'll never forget the joy and love in her eyes at end of that experience, as she handed me the keys.
Rest in peace Michelle, until we meet again.

“ There’s so many memories but one of my most memorable would be the garage party. So much fun and my first experience at a party. Aunt Chelle was only a few years older than me, but I felt like we were friends, more than aunt and niece. I still can’t believe she’s gone. My only solace is that she’s with my dad and her parents now.

I was so shocked to hear of Michelle's passing. I recall studying for biology tests with Michelle, her using a razor blade and soap to arch my eyebrows in high school, lol. My favorite memory were the infamous parties in Mrs Pruitt's garage...such good times!! Life is so short, and this news really broke my heart. Rest well old friend...you will be missed❤️

*Needless to say my heart is broken over the loss of my little sister. She had a way of making everyone feel so special. I will forever remember her wonderful sense of humor and that beautiful smile! I can still hear her saying to me "CHILE PLEEZE" when I would ask her "what you cooking for dinner today?"
I will forever miss our phone calls.....
Rest in heavenly peace, my sister girl!
Always,
Vonnie*
