

Mildred Miller

December 8, 1924 - June 5, 2025

Mildred Carey Forch Miller was born on December 8, 1924 in Mount Holly, Arkansas. She was the longest-living sibling out of a sibship of 10 children born to Lannie and Gertha Carey.

Mildred was a gifted seamstress and an avid gardener. She had a quiet presence with lots of common sense and wisdom. Mildred was definitely a self-starter with a motivating and independent nature.

Mildred Miller will forever be missed by all who had the privilege of loving and knowing her. Her legacy as a mother, grandmother, great-grandmother, aunt, cousin, and friend will endure forever. Her memory will continue to inspire and uplift all who had the pleasure of knowing her "down through the years".

In loving memory
