“ *I was so sorry to hear about Ms. Molly. I remember her always being there ... the cookouts, holiday dinners or just talking in the back yard and saying some Ms. Molly was just like family and she will be missed.
To the family, I am deeply sorry for your loss. Ms. Molly was a sweet lady. May you find comfort and peace in the memories shared.*

“ To the family. Though your heart must hold deepest sadness at the loss of the one you loved, may it also hold the blessings of the life you shared and the love that will always be a part of you. Molly was a kind , thoughtful person. She was my sister next door neighbor and a close friend to my family through the years. I will miss her coming over and calling to chat with me when I visited Detroit. May God blessed your family, Keep your hands in God hands , he will direct your path. “ There comes a time in lifewhen we realize if we stand still we will remain at this point forever. Mollie chose to take the higher road one step at a time, traveling through bends in the road, crests up the hills not worrying about the time it would take getting stronger by the day. Her soft voice and beautiful smile always showed with words of comfort offering help in any way she could. Her comforting words were I am going to pray about it. I will miss our long conversations about current news items. Mollie had a love for Tennis, CNN News and Basketball. To the families of Mollie Bussey (Mollie) we give our sincere sympathy. She will be surely missed by all of us.

“ The family has my condolences and may god keep his arms around you in this time of need. I love you Mollie, very much with all my ❤️ heart ,and I'm going to miss you something terribly. I will miss her from the times we would go to Bakers and have a great 🐟 fish dinner and from the times we would check on each other to make sure we're ok as well as the family. I'm going to miss sending her pictures and 📺 gifts especially on the holidays and coming over to spend quality time with each other. I love you Mollie and will miss you very much from one of your daughter's and to my second mom. Love Cynthia 🌹
