“ We shared many thoughts, memories, and life stories about our families. We laughed, and cried sometimes but we knew we could talk about anything.

I will always remember our time together on the bus. Rest in peace my friend.

Words can not express our heartfelt sorrow for Calvin, the children, and the rest of the family for your loss. You are in our prayers. I worked with Monica for a long time in Ferndale. She always made me laugh on the job. I saw the way she loved her children and always worked hard selling her candy for those family trips. She will be missed greatly. Rest in Heaven.
