“ You are the true definition of a fighter. While not an ideal way to meet, being one of your consistent caregivers on 8D you showed me determination at another level than I’ve seen in my 14years at UofM....and I want your family and friends to know that. You were a fighter! You fought so hard, even when I could see you were so tired, you still fought and pushed to do what you needed to do that day...On the hard days you still fought, on the scared days, you still fought, on the days I could see in your eyes you didn’t want to.....you still fought....and you did it with a smile...sometimes a hesitate smile...but always a smile. You were always so thankful and appreciative and please know that did not go unnoticed. “Thank you” to you and your family for sharing and instilling a piece of you in me....as thank you was always the last thing you would say and made sure we knew you were in deed thankful 🧡🧡🧡🧡

“ Your beautiful smile always lights up a room. You speak and everyone listens. There can never be such a bright light as you have been to the Detroit Church of Christ, and there may never be. We will miss you so much. Thank you for the blessing you have been to us through all of these years.
