“ *Dear Rice Family,*

I am completely shocked and saddened to hear of Nicole's passing. Her and I were high school friends. I have so many memories of fun times shared with her. She was a beautiful person all the way from the inside out. My heart is so broken. I know I'm finding this out late, but your family will be in my prayers. My deepest sympathy for this tremendous loss.

May beautiful memories help to sustain you during this very difficult times. I met Nicole at Morgan State U. I have so many memories of time spent with her there and our fun phone chats over the years. She was always smiling and making me laugh. I'll miss her so much. Rest well my friend. Love you.
