“ *Melvin and family...Carline always made my family part of your family! I'm really gonna miss that big personality ,laugh that would light up a room, honest advice and the overwhelming love that she would always give. I've known you all most of my life. This loss took a piece of my heart because she was family! I love you all and will miss her much. Be strong that's what she would want! Ask the LORD for peace and strength during this time. ♡♡ Yvette*

“ Momma

You were such a blessing to everyone you came in contact with. You would light up a room with you smile, grace and presence. We've been sharing so many stories of you, with you and about you as every inch of this home is filled with you and your love. You are here with us! The outpouring of love and blessings been shown to us because of you is awesome. Remember how I would post my love for you on every birthday and Mother's Day? Then you would be so amazed how so many sent love your way, and I would sit and read them all to you. You loved that. Just know that we will never stop loving, honoring or remembering you. Your memory and legacy will continue to live in each and every one of us. Rest easy Mommy, until we meet again ...your loving daughter Liz

“ *One of the sweetest and kindest people I've known. Affectionately known as "Ma" Mrs. Miller was like a 2nd mother to me, she was so much like my mother which is what drew me to her and I'd been knowing her since 1983, she was always so generous, she always gave me great advice and I could always talk to her about anything whether we had differences of opinion or not. She had fed me a multitude of dinners for the past 30+ years and was always there anytime I needed her especially when my mom passed. I could always call her up for a good recipe when I wanted to cook something. She definitely leaves a void in my life and she will surely be missed but I know that she is up there watching over everyone. Ma I love you.*

“ *Carline was very BEAUTIFUL inside and out. We came to know her in the early 1970's. She was a friend our neighbor Deborah Smith on Littlefield. Carline and Deborah were coworkers and best friends. She was so friendly and had a kind, loving soul. Although we were 17 years apart, she could relate to any and everyone. She was like a mother hen!* 😊

I started doing her hair and we became closer over the years. Carline & Melvin would often pop up at our house when our girls were small with bag full of cute outfits for them. We'd have dinner at each others homes. We had great times though the years. We went on road trips, they attended our family reunions so they became honorary family Members.

We enjoyed going to estate sales, going on morning walks, shopping at TJ Maxx so we could make “layaways”, going to the movies and lunch on Mondays. Sometimes Carline would smuggle corned beef sandwiches in her purse into the theater. Of course she would let out her famous LAUGH that was HUGE as her heart ❤️ 😊❤️ I could go on and on about her but if you know her, you already know~

One of her favorite movies was on tv last night. I wanted to call and tell her then I realized I couldn't.

We will always treasure her memories. She was one of a kind.

Missing her already.

*❤️ Love everlasting,
“Binky”. Evelyn & Jerome Ali*

“ One of the most beautiful people I have ever met. I feel so blessed to have known such a hardworking, funny, kind, great cook, and great granny to my sons. I really can go on and on about the beautiful Nora Carline Miller as well as her kind husband. Of the many moments I remember, is when I was pregnant with her grandson, Santonio, and she actually just started washing my feet. This kind act just exemplifies the kind heart that mother Carline had. Her laughter and kindness is etched in my mind and heart. I will forever remember and miss her smile and kind spirit. Rest in heavenly peace. ❤️❤️❤️

“ Such a beautiful spirit 😍. Always welcomed us into her home! Treated us like family. We enjoyed going to the Miller's on weekends (eating ribs), going out to dinner, shopping, and to the movie theaters.
Anyone who knew Carline, knew she was kind and loving. She is a blessing to all 😘🙏
Love Always!

“ *Life moves on, but memories don't, especially the ones we shared, good meals, long conversations, loving advice, loud laughter, God and some sadness. First, I moved out of state second, you moved out of the universe. Yes, a lot of moving but one thing that will always stay our FRIENDSHIP & LOVE, right here in my heart. I MISS YOU Johnnie*
