“ *My name is Jeanette Herron Ross. I am one of Ola's nieces from St Louis, MO. Ola was more than a favorite Aunt, she was a Girlfriend. One of my most fondest memories is when she came to visit me for three days but, stayed three weeks. We were having so much fun enjoying each other and talking about EVERYTHING. I don't have words to express what's in my mind and heart. The life she led was that of a GIVER and SERVANT. Rest now Aunt Ola. Jeanette.*

“ Aunt Ola/“My Walking Buddy”.
As a kid growing up in the country, I couldn't wait for Aunt Ola to come and visit. Our favorite past time was walking to town and eating grits. We lost another legend. Gone but not forgotten.

Love you,
Baby Jeff

“ My friend Ola, our friendship was like a Golden Chain, the links were friends so dear, like a rare and precious jewel, we treasured more each year
It was clasped together firmly with childhood memories and fond recollections.
Friendship is a priceless gift that can't be bought or sold, to have had an understanding friend was worth more than gold.
The Golden Chain of our friendship was a strong and blessed tie, binding our kindred hearts together as time went passing by.
Miss you my friend, until we meet again.
Lacie.

“ Aunt Ola,

*Thank you for loving us and teaching us Love!
I could write a book but anyone that knew Aunt Ola could too. I'll have tea and a good meal in her memory. Those were two of her favorite things to share with me.

“ Aunt Ola was a natural nurturer. Her love was genuine and unconditional. I'll forever cherish her wise counsel, her infectious laugh, and her amazing ability to tell family history. Her physical presence will be missed, but her spirit abounds. Sincere condolences to my family. Please refer to Lamentations 3:22-23. Much Love, Leroy and Gladia Perry
