“ Uncle Sonny taught me how to care for my car when I visited on weekends. He made me laugh about how Aunt JoLynne wanted to be early for any gathering. We were ready when she wanted us to be. I also was glad I finally knew how to play golf and one day I wanted to show him I could play well. He was always pleasant and had a smile on his face.

“ My dad was an inspiration to all. He was a husband, father, uncle, friend, and much more. He had so much wisdom to give the world. His kindness , generosity, and will to help those in need inspired all that he came across. He will never be forgotten and his legacy will continue on for years to come. He was my father, best friend and mentor. I will continue to make you proud and move forth in my life in your honor. Rest in peace with your son, sister and mother. I will always love you and keep you close to my heart.
