“ *My name is Sam. I was in Miss Davis' first first grade class. I had the privilege of bumping into her a few times as an adult. I visited her at Fleming several times before she retired. She was a wonderful woman. The only teacher I ever WANTED to visit.*

“ *Dearest Connie,
You named us RADICAL WOMEN and we all loved you. As a soror of Delta Sigma Theta, we had joyous times doing Delta stuff. I always looked forward to your solo in the Sweetheart song. Mostly, I'll miss that infectious smile and giggle. You are with our Lord Jesus Christ, and if I'm as good as you were, I'll see you again.*

“ Dear Pat, Dee Dee and Friends,
Thank you for sharing Odie, Connie, Cornelia with me. I meant Cornelia through my dear friend Delitha aka Dee Dee back in the early 70's. And since we know how good God is, we were reconnected when I joined a beautiful group of “reading women” several years ago.
I will miss “ALL” of her stories that made us crack-up, but most of all ...I will miss the beautiful person that she was.

“ I had the great honor of working in the C-section at Fleming. I met her in my new room when she introduced herself and told me how things were in that part of the building... we like it quiet and cool... women in menopause. Her smile and giggle followed this information. Sitting with the lunch bunch... learning and laughing... that was the best part of most days. My husband and daughter taken right in by her. We were able to see her sing at her church. Her voice was beautiful and music was as much a part of her as was teaching first graders every thing they needed to know. I know where you are and know that I will see you again. I imagine you are in that Heavenly choir, probably already asked to sing a solo.

“ *Ms. Connie was my next door neighbor and the sweetest lady I've ever met. I started working on my house 3 years ago and she was there every step of the way making sure my home was safe while I wasn't living there. I will truly miss her everyday and wish I had more time with her. She welcomed me and my family with open arms, and was a true gem to all of my nieces and nephews!*

With all my love- Sheanal and baby Glenn 💙

“ Proverbs 31:26, 30 "She speaks wisdom and faithful instruction is on her tongue. Charm is deceptive and beauty is fleeting; but a woman who fears the Lord is to be praised". This scripture comes to mind when I think of Ms. Davis. Around 40 years ago, I was in her first-grade class, and she was my first teacher after I moved to the United States from Manila, Philippines. I didn't speak English at all, but I managed to do well in her class because she always rewarded us with treats for our hard work. I excelled and was promoted to the next grade halfway through the year. I'm pretty certain that she played a crucial role in ensuring this happened and arranged all the ESL classes for me to help with my transition as I had to restart my education. I have fond memories of the song she used to play every morning as we entered her classroom. "Don't Worry, Be Happy" was the tune that always welcomed us. In fifth grade, I even helped play the song for her class. I was so committed to becoming her future teacher that I gave up my role as captain of the safety patrol just to assist her before and after school. It's hard to fully express how amazing of an educator she was and the profound impact she had on her students. It speaks volumes to see your favorite influential elementary school teacher being chosen by other students from Fleming at the DPS Superintendent banquet, where they honor the top graduating seniors and an educator as their guest alongside their parents. I felt truly blessed at that moment to have my first grade teacher and my high school coach to celebrate my educational achievements. I guess, "Mr. GOOD-BAR" helped me keep a straight and narrow path 😊 It was truly an honor having her at my wedding celebration. She was the only educator that took the time to pronounce my whole entire name correctly and the only one other than my father, that called me Clare Beverly. You will truly be missed and will always live in my heart. Blessings and Love to the family, friends, and loved ones. May the awesome LORD JESUS strengthen you all and give peace that surpasses all understanding. Knowing that, " to be absent from the body, is to be present with the LORD".

💜 REST in HEAVEN Ms. Cornelia Davis 💜

*“ A sudden loss garners memories quickly as if remembrances eases the grief. Trust in the sympathy and comfort extended to you, knowing you are not alone. Arms extended wide engulf your pain and catch your tears, sharing in your sentiments. May you feel the sincere love extended to you allowing the void to be replaced with God’s assurance.

“ Ottis was a dear friend. She sang at our wedding over 40 years ago - we still remember her beautiful voice. She taught our twin daughters how to paint their toenails and shared a necklace with each. The girls still have their half of the necklace. She will truly be missed.

“ *My condolences to the family during this difficult time. Odie was a great woman that I had the pleasure of knowing most of my life. She was funny, sassy and just cool to be around. I will miss her jokes and life lessons that she slipped into every story. Her friendship and loyalty to my Aunt, Uncle and family was top notch and very admirable. Rest well, Odie.
