“Mother," this is your son Desmond. Unfortunately I was not afforded the opportunity to come and bid you farewell, however, the love that you've shown me throughout the years has been immeasurable, and will remain with me in my heart until the end of time. I'll always remember how proud you were of me when I walked across that stage, AND how happy you were when you saw my daughter for the first time. I'll miss you calling me and saying "Desmond, this is MOTHER Pat," as if I didn't know your voice. Lol I promise to look out for Shawn and be the best big brother to both him and Jaila because I know that's what you would want. Continue to watch over us down here on this troubled earth. Not saying "Goodbye," simply saying "See You Later."

Love,
Your Son,
Desi
