“ We send our sincere condolences to Pat's family and are so sorry for your loss.

We remember Pat for the loving and special person she was. Pat was the kind of person who was always willing to do whatever needed to be done to help make our LegalShield events run smoothly. She was selfless in every way.

Pat was such a kind and thoughtful person. One time, she gave me a beautiful ribbon/flower neck wrap, because she saw that I had an outfit that it matched. She was always dressed so stylishly and cute and was as sweet and kind as well.

We will always think of her sweet smile and how she lit up the room with her presence.

*In loving remembrance,

“ *In Loving Memory of a Cherished Friend*

We send our deepest condolences to the family of our dear friend Pat Love. She was a beautiful soul who gave so much of herself to others. She was part of an amazing team but more than anything she was family. She was kind, loving, and deeply dedicated. Her presence lit up a room, and her encouragement lifted us all.

We will forever cherish the memories of working together to help make every LegalShield event special. Her warm hugs. Her birthday celebrations with those unforgettable cookouts, filled with joy, music, food, and the warmth of a close-knit family. Pat was surrounded by love and always made sure we felt that same love.

Pat will be greatly missed. We celebrate her life, her legacy, and the love she leaves behind in all of us.

*With love and remembrance,
Carlos & Sheila Byrd*
