“ Remembering Dr. Paulette Cecilia Fitzhugh Walker.

Do Not Stand At My Grave And Weep, by Mary Elizabeth Frye.

*Do not stand at my grave and weep
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there. I did not die.*

“ Dr Walker was so very kind. When I became a Delta she called me to say Congratulations and ‘It’s about time’. 😊 She made me feel like she was just a sister from another family. She loved my brother which made me love her more. After my daughter passed she called to check on me and my ‘right mind’. I will never forget her and her kindness. To my 25th National President, I will say ‘I will see you later’. With much love, gratitude and respect. Rest In Peace Soror, Soror Sharon E Clark Frierson

Dr. Walker was the first National President of Delta Sigma Theta Sorority, Inc. during my membership, and she left an indelible mark on my Delta journey. She was thoughtful, inspiring, deeply knowledgeable about Delta business, and led with both love and firmness.

“ My prayers to the family. May Gods peace and comfort be with you. Psalm 147:3 ("He heals the brokenhearted and binds up their wounds"), Matthew 5:4 ("Blessed are those who mourn, for they will be comforted"), and Isaiah 41:10 ("Do not fear, for I am with you... I will strengthen you, I will help you"). Dr. Walker loved numbers. My final number to you would be 7. In the Bible, the number 7 primarily symbolizes perfection, completeness, and spiritual fullness. It is often associated with the completion of God's work, as seen in the creation account where God rested on the seventh day. She has completed her work. Rest now Dr. Walker. 🙏

“ Dear 25th National President of Delta Sigma Theta Sorority, Inc. Ty so much for all the work you DO for Delta. Every text I sent over 20 years responded back every time. Also, thank you for founding the Deltas In Herstory and branding me a Delta Herstorian. You believe that the more our Sorors know about Delta herstory the better Delta she shall be. I must admit I am a little sad, but I get it, time for you to move up in the wing of our almighty Savior. “ Soror Dr. Paulette Walker was such a leader of compassion. I was so honored to work on the The Walker Endowment Committee raising funds for scholarships in her honor. I had so many interactions with her over the last 14 years. I will cherish forever. MSUBA Homecoming every year, our EE 50th anniversary in 2011, where it all began. Her visits to Ann Arbor Alumnae Chapter. Her wisdom very thankful for. My prayers of comfort to her family, and dearest Sorors and friends who loved her. “ Paulette was such a sweet and kind soul. The news took my breath away. Even though I rarely saw her because she traveled often, I would think of her and our time with the Black Faculty Staff association at USF when she was President. She was always an awesome leader.

“ Soror Walker...in sooo many ways you have shaped our sorority to its purpose. Your wisdom, tenacity, and telling the experience “in laymen’s terms” is why we respect you all the more. Your numerology was unmatched...25...2+5=7.....we know what the number 7 means....rest well❤️ ▲

“ I had the privilege and honor of working with Dr Paulette at the University of South Florida’s Institute on Black Life & Africa and the Diaspora where she served on the Advisory Board ... She was always a Bright Light and Many times she was brilliant as the voice of reason in conflict resolution. She was an Amazing human being and loved people indiscriminately. She was an Inspiring Mentor to me and I am Sooo Grateful to God for aligning our paths to cross in this Life. Her presence will be Missed yet the essence of who she was will never be forgotten ... the good seeds she planted along the way will continue to grow and thrive in each of us whose life she touched ... May Our Beloved Dr Paulette Sleep well in the arms of Jesus ❤️🙏

“ I met Soror Walker in 2011 when she was the Founders Day speaker for my chapter, Joliet Area/South Suburban Alumnae Chapter. She was the National 1st VP then and she was very warm, intelligent, funny, and engaging. She was a joy to be around and to hear her speak, especially about numbers! Rest well Soror Walker and know you led our Sorority with dignity, style, and professionalism. My prayers and condolences to your Mother and your family!”
