“ I have enjoyed all that is Paulette for the past 11 years that I worked at Arts and Scraps...the smile, creativity, other centered graciousness, and genuine concern for others are what comes to mind as I remember a life well spent...what an asset to Arts and Scraps. Oh I forgot to mention I am on the payroll, Paulette was volunteering!
Fond memories,
Dana

...please forgive me...Paulette worked the cash register for Arts and Scraps for which, I imagine, she did receive a salary.

“ I am sorry to hear about the passing of Paulette. She was a wonderfully creative person, who cared deeply for her friends and family. She always had a kind word.

Paulette and I worked together for a few years. Even though Paulette has not been a part of the Arts & Scraps staff for several years, there are still several reminders of her in the building. One is the uniquely beautiful curtains that still hang in the bathroom windows.

Offering prayers of healing for all who will miss Paulette.

“ *Paulette and I were sorority sisters. She pledged Delta Sigma Theta Sorority, Tau Chapter the year after me, at Wayne State University. I knew her prior to pledging because we grew up in the same church, St. Johns Presbyterian Church.*

I was always happy to see Paulette. She was so upbeat, full of funny stories and creative ideas. I loved her creativity, and that she liked to help the children. She was a generous person with a good heart.

“ *To Peaches , Bonnie and family*

Sorry for your loss .To be absent from this body is to be present with the Lord. I met Paulette through Bonnie and knew Peaches from working at BCBSM.

Life is but a stopping place ,a pause in what's to be.

You can shed tears that she is gone or you can smile because she has lived .You can close your eyes and pray that she will come back or you can open your eyes and see all that she has left .

Your heart can be empty because you can't see her or you can be full of love that you shared You can turn your back on tomorrow and live yesterday

or you can be happy for tomorrow because of yesterday. You can cry, close your mind, be empty ,turn you back or do what she would want : smile ,open your eyes , love and go on. Be in peace.

“ *Paulette,*

You were such a phenomenal woman. Just being in your presence was a joy. Your laugh was so infectious, and your smile lit the room. I can remember, you had the ability to awaken within me. by just talking. the passions within and igniting the drive to get it started. You always made me feel like a superstar when I was around you, growing up. You were loved and know you will be missed dearly. You will be forever in my thoughts.
