“ *Pheia and I worked together at Sherwood Forest Library, before I left in 2014. It was an instant connection between her, I, and our other coworker Juliana. She was like our big sister. She loved on us, made us laugh, and mostly kept us out of trouble. We shared so many good times. But my fondest memories of her was how she loved us through our hardest times with her advice & hugs. And oh, how I loved her laugh! It was infectious, especially if you were having a bad day. I regret not keeping in better touch with her, but I'm 1000% positive she knew I loved her. I love you Pheia! Fly high, watch over us, and send us some jokes and laughs every now and then. The world will never be as bright without you! Love you always- Krystal*

“ Ms. Pheia was always a pleasure to work with. She was someone I could always share a smile with at the library. Her work ethic was inspirational.

I'll miss her honesty and smile. I appreciate her for staying in touch long after I moved on from the library. She was a real one.

Dear Family of Pheia: I worked at the Sherwood Forest Branch with Pheia and we clicked immediately. We became friends and Pheia always had my back. When I retired she came to my party she told me she was going to check up on me to make sure I am ok. Just like her. I hope that her spirit checks on me now. Always in my heart. Charlene Hyland
