“ *Thank you for being the very best Uncle a niece could have. You were always encouraging, giving of your time, sharing laughs and a few bible verses when needed. And never saying a good bye, but a "see you later and an I love you". You will be missed by so many but never ever forgotten.*

“Missing you Grandpa! I admired the way you took care of your family and the way you loved Grandma Mary. Thank you for the fun times taking us up north and the annual summer BBQ! I love you always!

“Mickey you were always good for a laugh. If tough a talk was needed, you'd give it but not without getting food afterwards lol. We were welcome to everything but better not touch that Snapple lol. Teary eyed but love that your heart is whole again.

“ Uncle Mickey, growing up, I remember when hard times hit, you and Aunt Mary were there. I know for sure If you could not make it in person your pockets sure did. My mom would get on the phone with you and Aunt Mary crying and by the end of the call the problems were solved, she would be Laughing, smiling and happy. As I entered adulthood, your experience maturity and listening ear helped me through some challenging emotional times. The calm of your voice, your generous nature and the example you set stays with me. Thank you for everything. God Bless You. Love Andre (Vickie's child.)
