“ Philip Washington was a very special man. We knew PHIL from WHHS high school as a student & wrestler for my husband John Duplay Jr. PHIL was a generous person who genuinely cared about people. He called Coach on his birthday every year, kept in touch over the years, and shared wrestling stories from the past and recently his own High school team at Farmington HS. Coach had just shipped him some video tapes from old wrestling camps. PHIL sent us a nice photo of his team.

PHIL ALWAYS gave 125%/. He called coach Duplay when his son was in Ohio for a Mich state track meet - which coach went to & caught up with Philip, & watched his son compete there. PHIL was a great friend, husband, father, son, brother, teacher AND COACH. He will be missed by so many people.

Our sincere condolences to his beautiful family. Coach John Duplay Jr & DONNA Duplay

“ I met Mr. Washington twice for parent teacher conferences. He had a true passion for US History. My daughter enjoyed his class and the way he taught. She thought highly of him and truly misses him. We both send prayers to the family as you deal with the sudden loss. RIP Mr. Washington.

We are 6th graders from East middle school and WE ended up finding his students papers and finding his name on it and started learning about him and his students from 2010. he seemed like a great guy and an amazing teacher (judging by his students grades) we hope he rests in peace.
