“ My buddy...my trusted friend! Prentis Parker...I recently mentioned to my son Ted that we would visit you during my visit to Austin in a couple of weeks...he, too, was looking forward to seeing you again. To the family, please know how heartbroken we are to hear of his passing. The First Baptist Institutional Church Family also feel the pain as he was still “one of our deacons.” I will be visiting he and Rose during my visits at the cemetery where my daughter and mother are, just a few feet away. He is deeply missed! What an honorable man!

“ Daddy, this unreal. I am trying to still find some understanding here but I know God knows best. I know you aren't in any pain anymore...but words can't express how much I miss you. I'm just thankful I spent the last two weeks with you up until your last breath. I just want to say THANK YOU. Thank you for always being there for support, guiding me, and loving me UNCONDITIONALLY. I'll stop here because it's not enough room to fit all I would like to say but know that I love you. We love you!!! I miss you so much ...until we meet  
Always in my heart...
